24th February 2020

Thank you to all Members who continue to engage with the Monthly Team Meetings which I understand were all well attended last Monday.

During the week Bill Cummins, Wayne Jenkins and Colin Stokes headed up another Bunnings BBQ and our thanks to all who supported the day.

And on Friday afternoon Tom Goulding led a team once again with a sausage sizzle at Padua Kinder. Thank you to those who helped there as well.

Over the weekend Roger Skipsey, Merv Williams, Christine Williams and I, (in my capacity as incoming Peninsula Cluster Assistant Governor) attended a very well run Multi District President Elect training session up at Creswick, near Ballarat. Well done to District Governor Elect, Mark Humphries and Merv.

Next week we are encouraging as many to attend together with Partners and Guests for what will be a tremendous night as we hear again from Moses Pulop on the Komea Water Project. We will also have our DG Adrian join us too.

Can I also encourage our Members where possible, to support the Fusion Dinner on Friday 13th March for what will be an excellent night. Elena will speak to this on Monday.

This week we very much look forward to hearing from Janet Pugh and Stephen Pugh as they share their "bio's". Thank you to Janet and Stephen.

Many thanks to all, President, Peter Rawlings

**Two outstanding speakers are featured at our
2020 Rotary International Women's Day Breakfast event,
on Wednesday 4 March 2020**

A *history-making Olympian* & a *highly accomplished Humanitarian* are the two inspirational keynote speakers at the **Rotary International Women's Day Breakfast at Mornington Racecourse on **Wednesday 4 March 2020****

Olympian Lauren Burns, Lauren Burns created sporting history by winning the first ever Olympic medal for Taekwondo when the sport made its debut at the Sydney 2000 Olympic Games.

Lauren was one of only three Australian women to win an individual Olympic Gold Medal, along with Cathy Freeman and Susie O'Neill. Her amazing triumph was achieved against the odds requiring enormous discipline, commitment, perseverance and teamwork.

Humanitarian, Dr Alice Hill, has pursued what she calls "*full-time, unpaid, for-purpose work*," which includes founding the Early Years Education Program, which, helps at-risk children realize "*their full potential and ensure that they enter school as confident and successful learners, developmentally equal to their peers.*" She also serves as a director of other non-profit social-justice and educational organizations, and of The Antipodean Family Foundation, which she and Nicholson established to serve "*people in need.*"

"I just decided that there was nothing I could do that would have more impact than protecting the early childhood development of vulnerable children," she says. "It's all about doing good wherever you are. You might not solve all the problems in the world, but you can do your bit." SOURCE: HARVARD MAGAZINE
