

## PRESIDENT BILL'S WEEKLY NOTES

Welcome to all our Members, Friends, and Supporters

### Last week's meeting

Jonathan Mayne gave a very interesting presentation to the limited number who attended on Monday evening. He detailed how his beginnings working with his father in the printing industry, created some interesting pathways for the entrepreneurial Jonathan.

He touched on many influences and also how he came to be a commentator at the Los Angeles Olympic Games in 1984. His love for and undoubted skill as an oarsman has opened many other doors.

A dedicated and strong Rotarian, these days he serves the International and Foundation Committee and remains proud of his role in bringing clean water to remote villages in Papua New Guinea through the "Sigri" Project.

Jonathan's motto: "You've got to ask, otherwise the answer is always no" and if you are looking for a gift card for a special person, then speak to Jonathan, he hand-makes them.

### Board Meeting update

Treasurer Byron will shortly be Emailing members, for their information, copies of both the Club and Project Budgets for the forthcoming Rotary year approved by the Board at its meeting last week.

At the Board meeting it was agreed that Club Meetings at The Mornington Hotel, will continue for now in a hybrid format, offering members who are **unwell** the chance to connect via Zoom. This will be reviewed at the August Board meeting.

Please appreciate the effort of Rob Davies in making Zoom possible and would you please if not attending in person at the Hotel, notify attendance officer Barrie Sweeney. Some do and some don't, but as a courtesy we should always do this.

### Our next 2 meetings

On Monday 18<sup>th</sup> we are at The Mornington Hotel and our Guest Presenter is fellow Rotarian Sjaak Kusters who will share his biography stories.

Please bookmark Monday 25<sup>th</sup>, again at The Mornington Hotel, where the Guest Speaker will share on the Container Deposit Scheme and where members will have the chance to share their views on the Zone 8 Regionalisation (mentioned by AG Peter Rawlings a couple of weeks ago), which will be discussed with other Cluster Presidents on July 31. Our club will be expected to be part of a vote on this during early September.

### National Tree day is July 31<sup>st</sup>

If you are interested in being involved at a major tree planting project at the Briars on this date. **Please add the event to your Diary.**

It would be great to have a good roll up from our Club. Colin Stokes is waiting for more details from The Briars management and will supply it hopefully for next week's Bulletin.

### Committee meetings week

The Board has decided to change Committee meeting week from the 3rd week of each month to the 1st week to enable Directors to give up to date Committee Reports to the Board at its meeting on the 2nd Wednesday of each month.

Yours in Rotary - President Bill

## BAYS HOSPITAL CANCER CENTRE DONATION CHEQUE PRESENTATION

Last Monday afternoon, PP Carol and Treasurer Byron presented a cheque for \$2,000 to The Bays Healthcare Group as a Donation towards the new Comprehensive Cancer Centre to be built at the Bays Hospital in Mornington.

We had recently heard from Jade Phelan, the CEO of The Bays Healthcare Group at a Club meeting.

As you would be aware the Bays is a stand-alone not for profit community healthcare provider which operates The Bays Hospital in Mornington & The Bays Aged Care & Dialysis Centre in Hastings. When Jade spoke at the Club meeting she mentioned the exciting changes coming to The Bays Mornington. Currently, there are no radiation oncology services, and limited chemotherapy and cancer support services, on the Mornington Peninsula. Patients are required to travel to Frankston and beyond for their treatment and support services. The Bays Comprehensive Cancer Centre will change this. It will provide the community with local access to complete cancer care services.

Also coming to Mornington is the Rehabilitation & Wellness Hub which will be built in conjunction with the Alexandra Park Precinct Project.

I have no doubt we will hear more about these exciting projects for our Community over the coming months.

## FUSION SLEEP IN YOUR CAR

Fusion Mornington Peninsula's "Sleep In Your Car" event is on again this year on Saturday August 6th at Mornington Park from 5.30pm. Fusion has been helping young people experiencing homelessness for about 40 years so here is our chance to help Fusion.

The Club (RCMM) will provide a BBQ for sausages and ask for a gold coin donation which will go direct to Fusion.

**It's time to gather your friends  
or work colleagues & register  
to sleep out!**

## Cranes 4 Ukraine

Please read the story below.

I still have Cranes 4 Ukraine for sale, please see me (Byron) at the Club meeting this week to purchase yours, we have raised \$140 to date and would like to get to \$200. They are only \$5, a small donation really.

## Cranes for Ukraine

'Sadako Sasaki' is the girl that started making 1000 paper cranes and making them stand for 'peace'.

Sadako was at home when the nuclear bomb hit Hiroshima. In November 1954, Sadako developed swellings on her neck and behind her ears. In January 1955, purple spots had formed on her legs. Subsequently, she was diagnosed with leukemia. She was hospitalized in February 1955, and given, at the most, a year to live.

In August 1955, Sadako's best friend Chizuko Hamamoto came to the hospital to visit and cut a golden piece of paper into a square to fold it into a paper crane, in reference to the ancient Japanese story that promises anyone who folds a thousand origami cranes will be granted a wish by the crane. Sadako decided she would try to do this though she fell short of her goal of folding 1000 cranes, having folded only 644 before her death, and her friends completed the rest and buried them with her.

We believe that this so called legend is true, though instead of granting the maker a wish, the people that have lost many things should be granted one. We want to try and get this up and going, to help those innocent children and elders to find peace in their lives and have many paper cranes looking down at them and realize just how special they are. Sadako passed away in October 1955, at the age of 12, but many people believed it was right to help her finish what she had started.

In this bag are 10 Cranes for peace, each crane is \$5.00

Please take to your club and sell these peace cranes

Once all 1000 cranes are sold, we will make a \$5000.00 donation to Foundation Disaster Fund, specifying for Ukraine.
