PRESIDENT CAROL'S WEEKLY THOUGHTS & REPORTS

Greetings Rotarians and Friends

Welcome

This week we again welcome our "Friends of Rotary and all our Sponsors". Please join our Zoom meeting if you are able. OK, so we have all survived 200 days of lockdown but the big question is how are we going to survive the next few weeks. Being in lockdown isn't easy and now the whole of Victoria is again locked down. This certainly isn't what we would want to do by choice but the reality is it's here we've got to do it, so we need to find ways to live with it.

Lockdown suggestions

Here are a few things that you can do during Lockdown, I think the one that I hear most often is go for a walk, take your dogs for a walk, walk with a friend or by yourself but just get out there and on those beautiful almost spring days and enjoy that sunshine, the blossom and daffodils that are coming into bloom.

Another important thing is to just get out of bed and get dressed, I have to say there are mornings when I struggle with this. Start a new project there's lots of things you could do, Sudoku or word games are always good, start writing a gratitude journal or life story for your grandchildren and include photos from old albums, stay informed, read, I use audiobooks and listen to them when I'm in the garden or going for walks. FaceTime or WhatsApp is great for keeping in touch with family and friends overseas or interstate. I speak to my sister in South Africa, most days, they're not in lockdown but they certainly are still in the middle of the pandemic we share ideas for new interesting meals and we just are able to chat about how frustrated we all are and how we are all surviving in this new world. When all else fails turn on the TV and do a bit of binge watching nothing like a good thriller or series to take your mind off everything else.

Monday's meeting

On Monday night Ray Martin will be speaking to us about his time in Rotary over the years and giving us a few stories about what he's done he certainly has had an interesting life and I'm sure you'll enjoy listening to him. We will also be asking you to come up with ideas about what you can do during lockdown and maybe sharing some of these ideas with other people or getting them involved. It's in times like this that we just have to look after each other and make sure that we're all OK.

Next Monday 30th August

Next Monday the 30th of August is our first social Monday where we will be inviting partners, husbands and wives to join us for a session on zoom. Our plan is to invite some of you to tell us your stories about how you met and also maybe show us something that has special meaning in your life and would like to share your story. I have asked David Wheeler to be the host the programme for next Monday and he has happily agreed to do so .

Stay well, stay at home and keep in touch with your family and friends.

President Carol

DISTRICT 9820 CONFERENCE 2022

REGISTRATIONS NOW OPEN

District Governor Bill Degnan and Judy, together with the Rotary Club of Traralgon Central, invite you and all your members to come and join us in beautiful Traralgon, where the D9820 Conference will be held on the weekend of February 25-27, 2022, in the new Gippsland Performing Arts Centre.

Registrations are now open, and we look forward to seeing many of you in the Valley for a Conference filled with inspiration, fun and fellowship.

This conference will focus on environmental sustainability and what part Rotary can play.

We also have Dr. Fiona Wood, AM FAHMS, as our keynote speaker. Professor Fiona Wood is one of Australia's most innovative and respected surgeons and researchers. A highly skilled plastic and reconstructive **Surgeon** and world leading burns specialist, she has pioneered research and technology development in burns medicine. Professor Wood's greatest contribution and enduring legacy is her work pioneering the innovative 'spray-on skin' technique, which greatly reduces permanent scarring in burns victims.

Friday activities will be a Golf tournament, a winery tour and self-drive drive tours of the beautiful Latrobe Valley.

Saturday night's 'Celebration 101' will be a dinner dance at Morwell's Kernot Hall, where we will be entertained by The Baker Boys. Dress code is 'Cocktail', so bring out your pretty party dresses and suits for a night of fun.

Further information about our speakers, tours and entertainment will be posted on the District Conference Facebook page and the District Website.

Thanks to all our sponsors, particularly our Platinum Sponsors, Maryvale Private Hospital and Latrobe Health Services, and Latrobe City Council, for their support and assistance.

We look forward to seeing you all in February 2022

DG Bill, Judy and the Conference Committee

Rotary Overseas Recycled Playgrounds (RORP)

Greetings MMRC RORP Folk.....

Just a quick update to advise that our MPSC has just allocated us a playground in Blairgowrie in mid September (Virus permitting). (R Penman Reserve, 2 Wilson Rd, Blairgowrie.)

You may be aware that our much anticipated Mornington Peninsula Shire Council (MPSC)/RORP follow up meeting (Peter R and myself) has been further delayed.....due to the virus limitations and the delayed internal MPSC Playground budgeting process.

However, despite this delay, we are now active with the MPSC for the 2021 - 2022 year!!

Ideally, we would like the MPSC to duplicate both the Casey and Dandenong Councils method of providing RORP a full list (Casey now has eleven (11) (plus the 2 already in storage at MM) and Dandenong six (6)....these have been inspected, photographed and costed.....with the costings shared with Council for their internal use.....they appreciate that system.

However, until we can discuss these options with the MPSC, a Drip Feed allocation of MPSC Playgrounds is just fine. (For interest, the MPSC has 240 playgrounds in the Shire, so I expect at least 10+ playgrounds will be replaced this financial year....how many to RORP?...no idea yet !!)

You may have heard the RORP rumours that something is brewing with the help of Carol's sister, Jenny, the Immediate Past President of Newlands Rotary Club in Cape Town, South Africa and ourselves here in D9820. Jenny is heading up an initiative to support her District (D9350) with Playgrounds from D9820.

I had a 90 minute Zoom with Jenny about ten days ago, and she is now addressing a number of issues within her Newlands Club. I expect some feedback soonish.

There are heaps of hurdles / actions required by the receiving groups to set up this type of activity, However, they have talented and focused folk (RC Members) who have experience in importing containers from Australia. (Books).

It's very early times yet.....but there is good will on both sides of the Indian Ocean, to ensure this initiative receives as much support as needed.

District 9350 includes the Western and Northern Cape Provinces of South Africa, Namibia and Angola.

More updates will be forwarded once information is available.

Regards

Mount Martha

Rotary Club of Mount Martha Christmas Raffle

Pat Morton will give us an update at this week's Zoom meeting.

This year the Rotary Club of Mount Martha will be conducting a Christmas Raffle. The 1st prize is a Samsung 65cm 4K TV, 2nd and 3rd prizes will consist of a \$500 Bunnings voucher and a \$500 Ritchies IGA voucher. Tickets will be \$2 each or 3 for \$5. We are planning to sell 3,000 tickets. We are hoping to raise in excess of \$3,500. Tickets will be available in the next 2 weeks.

All the funds raised will go to the Mount Martha section of the "Peninsula Bay Trail". The reasons for this decisions are; 1) it is a local project; 2) it links Mount Martha with the other trails; 3) it demonstrates our Club's work in Mount Martha and 4) will provide environmental and ecological outcomes.

The draw will be held outside Ritchies IGA at Mount Martha on 22nd December 2021.

New Club Banner

Two new Rotary Club display promotion Banners have just been arranged - 1 bought and 1 donated through Progress Signs They will be available for use and will be housed in the Club BBQ trailer shortly
