

PRESIDENT ROGER'S WEEKLY BLOG

Greetings Rotarians and Friends

Meeting : Monday 7 June – On Zoom – Club Forum

We were going to hear Ray Martin's Bio. Ray would rather talk to us face to face so that will be rescheduled. I thought this would be a good opportunity for an open forum and help set the scene for Carol.

Please have a think about what you would like to see the club.

1. Keep doing
2. Stop doing
3. Start doing

The Link to the Zoom meeting is on the Bulletin Email.

Lockdown #4.0 and 4.1.

Unfortunately, we were not be able to hold our Joint Board Meeting on Thursday 3/6 face to face but it did happen via Zoom. Similarly our Club Meeting on Monday 7/6 will now have to be via Zoom. Committee Meetings scheduled for w/c 14/6 may need to be on Zoom. Your Directors will be in touch.

The Bunnings BBQ scheduled for Sat 29th May has been cancelled but a \$500 voucher has been offered in lieu. The Benton's Square BBQ has also been cancelled.

Changeover Monday 28/6 may have to be via Zoom again but we'll see what the next week brings

Club Dues – Increase to \$310

Regrettably ,we have had to increase our dues from \$280 to \$310 pa primarily due to unavoidable RI,RDU and D9820 increases totalling over \$20. The club continues to subsidize dues from the dinner levy. This year its \$40.

See Secretary Wayne's Email on Friday 4/6 about Club Dues

Budget 2021/22

Carol and her team put together an ambitious Projects budget of \$35,000 versus \$18000 in 2020/21. Your club is taking action in many 'avenues of service' including the new 'Environmental' Check out the Board Meeting minutes for details. I look forward to following the club's progress from sunny Queensland....if we can get there!!

Cool room Proposal

Thanks for the well thought out and detailed responses to Roger Annear's opportunity. On balance the Board decided not to proceed. Thank you Roger, for bringing this to the club's attention.

Adirondack Chairs - Steve Daly donation

Steve has sold 2 chairs at \$375 each and kindly donated the proceeds to the Club. He has an order for another 2 for November. Thank you Steve.

David Pipers Garden Shed – New home at Byron Groves' place.

David's garden shed was 'excess to requirements' and donated to Roger Annear some time ago. Byron has 'paid' \$200 for the shed which has been donated to The Rotary Foundation via Centurion Club (50/50 Annear/Piper). Congratulations Byron on putting it back together and only having 1 screw left over.

Cheers.....Roger

IMPAKT FREEZA'S 2021 SUPPORTED MUSIC PROGRAM

Pat Morton says “this is a call out to Rotary family and friends, who may know of anyone who may be interested in entering this music competition for youth on the Mornington Peninsula”.

Impakt Freeza's 2021 supported music program

Take your music to the next level

APPLY NOW

Impakt Freeza is excited to be running the Freeza supported music program in 2021.

Support and mentorship will be available to young musicians aged 12 to 25 who are able to record, video, release and perform their own original music. Both bands and individual musicians will be eligible for support.

Artists must be Mornington Peninsula based and ready to record and perform their own original music.

If you think you have what it takes, submit an online application via the QR code below.

The program will consist of:

- Recording in a professional music studio accompanied by a professional engineer
- Producing a music video with an industry working videographer
- Creating and delivering a launch event to celebrate the release of your song
- Monthly mentoring sessions
- Training in communication and media (to build your online brand)

Thanks to those who attended Environment Area of Focus launch on Friday 4th Jun 6:00 pm AEST.

Thrilled to announce we had 383 registrants and 250 on the call

If you'd like to view the recording then please enjoy

The recordings may not show up in this email in which case see them at:

<https://esraganzpi.org/environ...>

Unfortunately the zoom recording hasn't spotlighted the speakers during interviews and panel session as we ran it as a meeting rather than webinar when we planned breakout sessions originally, so you'll need to keep a look out for the speaker boxes.

We've also got a little informal footage of people entering the room and a finish up chat with Daryl Moran who came up with the event idea.

Thanks for your support everyone.

Let's seize the opportunity to get great projects happening around the region.
