

PRESIDENT BILL'S WEEKLY NOTES

Welcome to all our Members, Friends, and Supporters

Last Monday's Club meeting

On Monday we heard from Sjaak Kusters, fellow Rotarian from RC of Frankston Sunrise and respected funeral celebrant. Sjaak spoke with energy and a measure of humour on some of the challenges he faces compiling eulogies where family history is not always comprehensive. Sjaak also touched on his background in the media and other services that he provides his clients.

Tree Planting at Briars next Sunday 31st July 2022

Tree planting is happening at the Briars Sunday July 31st from 11am – 3pm. Please use this website link to register your attendance. (press Ctrl and click on mouse)

[The Briars - Mornington Peninsula Shire Tree Day Site Details \(planetark.org\)](http://planetark.org)

This website explains everything and the Briars have request we all register on the site if attending

It would be great if we could have a good number of members involved.

There will be a number of tree planting days following the initial one due to the large number (approx 3000) of trees to be planted.

I would suggest bringing your own gloves and small shovel, although reading the website most things are supplied.

Meet at the car park near the old Josephine's Restaurant.

Fusion - Sleep in your Car on Saturday 6th August 2022

Fusion Mornington Peninsula's "Sleep In Your Car" event is on again this year on Saturday August 6th at Mornington Park from 5.30pm. Fusion has been helping young people experiencing homelessness for about 40 years so here is our chance to help Fusion.

The Club (RCMM) will provide a BBQ for sausages and ask for a gold coin donation which will go direct to Fusion. **See Flyer on page 4 of this Bulletin**

This week's Club meeting

Our Guest Speaker via Zoom this Monday 25th is **Trevor Gilson from the RC of Port Macquarie West** who will speak on a Recycling Container Deposit Scheme (CDS).

Following the project created by the RC of Port Macquarie West 4 years ago when the NSW Government introduced a CDS, RCMM is planning to seize the opportunity here in our community.

The Victorian Government is planning to introduce a similar Container Deposit Scheme in 2023. This project will 'tick' many of the boxes that have been of concern by RCMM members for some time ... e.g.

A high profile, project that is visible to the community and:

- Engages all RCMM members as well as:
 - a. families,
 - b. friends,
 - c. supporters,
 - d. neighbours,
 - e. residencies
 - f. and businesses.

- is a fund raiser.

- is environmentally positive.

I respectfully urge all RCMM members to take advantage of **Trevor Gilson's** presentation.

Next Month - August 2022

August is Membership & New Club Development Month. I would ask members to offer their support to Tom Goulding, Chair of Membership and invite guests to our meetings this month. We have Aug 22 as a potential Social Night. Please liaise with our Program Director David Wheeler, with your suggestions and how we can make the most of this opportunity.

Regionalisation

You're invited to attend an information session about the future of Rotary in Australia, New Zealand and the Pacific Islands. **See Flyer on next page of this Bulletin**

Six identical webinars are being held in July and August to brief Rotary members in Zone 8 who:

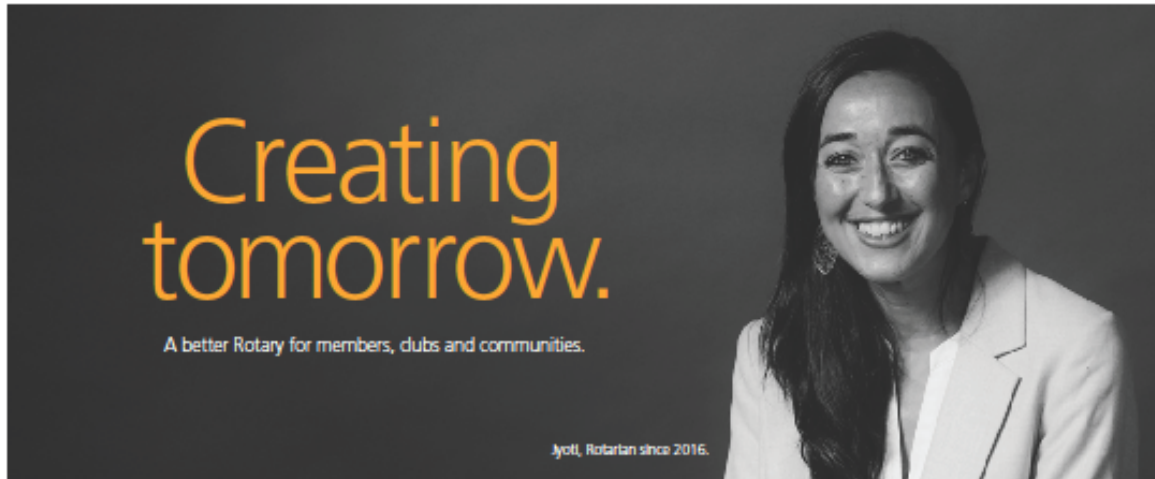

- are not able to attend a club briefing on Regionalisation
- are not able to attend District organised briefings on Regionalisation
- have additional questions or clarifications they are seeking

The host for the webinars will be Rotary International Director Jessie Harman. Presenters will be Co-Chairs PDG Ingrid Waugh and PDG Peter Frueh. Questions will be asked through the Q&A function and will be moderated by Rotary International South Pacific and Philippines Office staff. Duration will be one hour with approximately twenty minutes of introduction and presentation, with the remainder answering questions.

These webinars will be recorded and made available afterwards. Questions asked will be incorporated into the Frequently Asked Questions (FAQ) and answers section of the website: creatingtomorrowrotary.org

This topic will be the subject of a Club Meeting in August, so I encourage you to view one Webinar so you are properly informed prior to the Club discussion
