

This week Monday 28th February we are meeting in person at The Mornington Hotel (Stratton Room) at 6pm for 6.30pm. We will also meet via Zoom for those who wish to attend the meeting in this way.

www.mountmartharotary.org.au

PRESIDENT CAROL'S THOUGHTS & REPORTS

Greetings Rotarians and Friends

Welcome to our weekly Bulletin. This week we have an interesting evening ahead of us and I would encourage you to all to attend. Please let Barrie know if you will be an apology or are planning to attend by Zoom.

Speaker for the evening

Nigel Cousins and his wife Ann will be coming to our meeting in person. In addition, the District Youth Chair Rob Cook, and his wife Kim will also be our guests for the evening.

Nigel and Ann have been Rotarians for years! In fact, they met while they were in Rotaract. Nigel was the President of Frankston Peninsula Rotary 2.0 during 2016/17 and is their current Secretary. He is also the Chair of the District 9820 Rotary Youth Leadership Award (RYLA) Committee and has been involved with setting up RYLA events for many years now.

Both he and Ann are great supporters of the Sudanese community in the Noble Park area and we look forward to hearing more about their involvement.

Conference

We will also be reporting back from the Rotary District Conference that is being held in Traralgon this weekend, with several of our members attending. Next year the conference will be organised by the Rosebud/Rye Rotary Club and their plans for this event will be revealed at the Conference. Rob Davies and Peter Rawlings are working with that Club to assist them in their planning, so we will be able to give you an update on the event as well.

Break the Bias - International Women's Day (IWD)

The IWD breakfast organised by a group of Clubs on the Peninsula and Frankston are completing their preparations for the event, we are delighted that we have around 280 people attending this event Break the Bias is the international theme for the year and our speaker will reflect on this and other topics. There is still time to book a place for the 3rd March Breakfast at the Mornington Racecourse. We thank Warlimont and Nutt for taking a table to support the event. Thanks, Fergus, for your support. See Flyer on page 3 for booking details.

Days of Service

As part of his 2021- 22 initiative President Shekhar Mehta is encouraging Clubs to plan and host a practical and action orientated Rotary Day of Service. This event should address a challenge facing your community that fits in one or more of the Rotary areas of focus and brings together volunteers from within and outside of Rotary. We're halfway through the Rotary year and many Clubs have already risen to the challenge.

In Japan the Rotary Clubs of Hiroshima Ryohoku and Hiroshima North are working together to organise an event to clean up the Former Otagawa river and riverbank. In total 70 people participated including family members and local alumni associations.

In the Philippines the Rotary Clubs of Narvacan partnered with the Rotary Club of Makati and have joined together with their District to provide food and essential supplies to support community members affected by the flash flooding due to the tropical storm Maring.

In Nigeria the Rotaract Club of Owerri Metropolitan has conducted free hepatitis tests for over 250 people in Orji market in commemoration of World Hepatitis Day.

In Turkey some of the Clubs of organised beach clean-ups and also invited general public to participate. These are just some of the events that have happened or are happening all over the world.

With our Rotary clubs on the Peninsula who have joined together to support the Peninsula Trail. *It makes you think what an inspiring organisation Rotary is.*

Yours in Rotary - President Carol

Subject: RE: Peninsula Trail

Good morning everyone

This morning we had another very good meeting with Council staff ...

Good things are continuing to happen

- Councillors have included the Peninsula Trail in their top 6 priorities for the Federal election candidates, and our now meeting them, to discuss it.
- The results of the application to the Victorian Growing Suburbs Fund for the Baxter to Somerville section is likely to be known shortly. Success will mean it can start this year. If not successful it goes up the list of priorities for next year.
- The application to the Victorian Regional Tourism Fund for the Mornington to Moorooduc and Southern Peninsula sections will not be known until June. The best thing we can all be doing now is talking to State MP's about supporting it.
- Council has updated their website to provide very good information including maps and videos about what the whole project is about, and references it as our Centenary Project. See <https://shape.mornpen.vic.gov.au/peninsula-trail> . Please share this with your members.
- Don't forget Council has committed \$10m and we just need to help them find the rest !

In terms of individual club projects

- MtMartha is the clear leader ! Well done ! They are well advanced in installing rest stop furniture on the Trail between Craigie Road and the Briars
- Dromana is also well progressed, having submitted the appropriate application form for their upgraded rest stop near the coffee van at Safety Beach. The quote for it is higher than expected so they are pursuing Grant funding including the Council Place Making Grant I emailed you about earlier this week.
- Sorrento have submitted the Application Form and are reviewing their exact location after some issue with the proposed one.
- Nothing much more has been heard from the other clubs and none are known to have submitted the required Community Infrastructure Form. **Any updates would be appreciated.**
- Council is working on a pilot signage project and considering 4 locations for it. Mornington indicated a willingness to contribute to this for the Civic Reserve to Mt.Martha/Briars section.

You can also help your members stay up to date by having them follow <https://www.facebook.com/thepeninsulatrail/>

The Peninsula Trail is also a topic being presented at the District Conference in a couple of weeks – so any updates from you would be helpful.

Any questions or issues let me know

Ross Kilborn

An update letter from a School of St Jude student. We sponsor the Professional Development of a Teacher at the School each year

Dear All at Mount Martha Rotary,

Happy New Year 2022!

We have just come back from our holidays, and we are excited to embrace the next stage of our academic journey.

Our adept teachers are now busy preparing lessons for this term. We are fortunate to have them because they are very committed to providing moral and intellectual support that lightens a way for us as future teachers of Tanzania. Even when we struggle with individual subjects, the teachers always give us encouragement and any extra classes that we need to be successful.

All at Mount Martha Rotary, we are writing to you to express our gratitude for your generosity and support of our teachers. It is with your support, we can access the quality of teaching that we have here at St Jude's.

We humbly extend our heartfelt appreciation for your continuous support of our teachers.

Lots of love

All of us at St Jude's
